personality due

to their coat

color also

discusses white

cats. They are

seen as “less

bold and active

and more shy and

calm than other

colors of cat”.

This is

corroborated by

many cat

guardians who

Download File

PDF Cat Of A

see their white

cats as being
generally more
reserved and

often shy, yet
loving and
caring when they
bond with their
family.

What Does a
Cat's Color Say
about its
Personality?

Download File

PDF Cat Of A

Different Color

A cat's color
can tell us
something about
her personality:

It sounds
fantastic, but
as early as
1872, people
tried to link
certain kitty
colors and
patterns with
different
personality
