The author has written a trilogy of struggle and a fight for a normal life after a disastrous event. The story is gripping and it was so easy to relate to the main characters and root for their success. This trilogy is the exception, it gets better and better (and, I hope, better still with number 3). Colony East is where the adults are in charge - which good and bad :) The siblings get split up and follow different adventures and all the way through you are gripped with the hope they will survive, despite the odds. Looking forward to Number 3!!
