Eastern Europe Politics Culture And

"Eastern Europe" addresses the emergence of uncertain pluralism in the region following the disintegrations of the communist regimes in 1989. Taking a broad historical approach, the volume considers issues and challenges that have marked Eastern Europe from 1939, through World War II and the era of socialism, up to the present.

The politics of Europe deals with the continually evolving politics within the continent of Europe. It is a topic far more detailed than other continents due to a number of factors including the long history of nation states in the region as well as the modern day trend towards increased political unity amongst the European states. The current politics of Europe can be traced back to historical events within the continent. Likewise geography, economy, and culture have contributed to the current

Eastern Europe is the eastern part of the European continent.There is no consistent definition of the precise area it covers, partly because the term has a wide range of geopolitical, geographical, ethnic, cultural, and socioeconomic connotations. There are "almost as many definitions of Eastern Europe as there are scholars of the region". A related United Nations paper adds that "every ...
