Justice Systems, and Fellow of Wolfson College, University of Oxford¹. Executive Summary. This paper explains how...

~~Executive Summary Why regulatory compliance is supported...~~

Without established institutional regulations to act as standards of ethical practice, it can be a difficult chore for business leaders to develop rules that protect society while not falling afoul of the traditional concept of the “hidden hand,” found in long-standing business philosophy. What it may essentially come down to is whether acting for the common good can also produce a positive return on investment.
