Arguably Napoleon's most enduring legacy was the new French civil and criminal code, or Code Napoleon, a Europe-wide legal system which survives to this day in many countries. The revolutionary government of the National Assembly had originally sought to rationalise and standardise the myriad of laws which governed different parts of France from as

revolutionary ideals dropped to a more workaday level, just as the puritanism was replaced by moral license. The general's expedition to Egypt in 1798 before his self-elevation to power introduced a new style competing with the ancient Roman in costume and furnishings; the Middle East became fashionable and out of the cultural contact came the new science of Egyptology.

Napoleon dominated European and global affairs for more than a decade while leading France against a series of coalitions during the Napoleonic Wars. He won many of these wars and a vast majority of his battles, building a large empire that ruled over much of continental Europe before its final collapse in 1815.
