Is400 Engraver Manual

I also own an old New Hermes VB model engraver. I haven't been able to establish which model VB it is (VB, VB-II, or VB-III), but it has the plain T-slotted base on top of the cabinet. It doesn't have the moving table on the base like the VB-III. I'm guessing it's a VB from the '60's. I think the VB is the largest production model pantograph engraver that they made. I bought it around 2001 for ...

Hermes Engravers also went on to do other types of engraving, but for the next several years most of these were under government contracts. For example, they engraved Purple Hearts for the Quartermaster Corps in Philadelphia on the New Hermes machines. In addition, other large engraving jobs came their way which required extreme accuracy. ¶For this, New Hermes purchased about 15 Gorton ...
