'Inventing Ourselves' will help you to understand why adolescents think and behave the way they do. Along the way it provides you with an evidence base from which to understand how adolescence is a critical developmental stage in understanding who we are as individuals and as social beings. I strongly recommend this excellent book.

On Saturday 18 May 2019 St John's College Women's Network was delighted to welcome alumna Professor Sarah-Jayne Blakemore back to College to discuss her work and recent award-winning book, Inventing Ourselves: The Secret Life of the Teenage Brain. It is, strangely, acceptable to mock and demonise teenagers; the same stereotypes of lethargy, bad manners and disrespect for authority have endured through millennia and across cultures.
