Japanese Things By Basil Chamberlain

Basil Hall Chamberlain (1850-1935) first encountered Japan on a journey intended to

promote the recovery of his health: he had suffered a nervous breakdown while working for Barings Bank. In May 1873, he arrived in Yokohama, and was immediately fascinated by traditional Japanese culture. The drive for modernisation had created a need for teachers of English, and Chamberlain was taken on as a tutor in the naval academy, at the same time studying the Japanese language to such good effect ...

Things Japanese by Basil Hall Chamberlain - Goodreads

Basil Hall Chamberlain was a professor of Japanese at Tokyo Imperial University and one of the foremost British Japanologists active in Japan during the late 19th century. He also wrote some of the earliest translations of haiku into English. He is perhaps best remembered for his informal and popular one-volume encyclopedia *Things Japanese*, which first appeared in 1890 and which he revised several times thereafter. His interests were diverse, and his works include an anthology
