Admiralty law or maritime law is a  
body of law that governs nautical  
issues and private maritime  
disputes. Admiralty law consists  
of both domestic law on maritime  
activities, and private  
international law governing the  
relationships between private  
parties operating or using ocean-  
going ships. While each legal  
jurisdiction usually has its own  
legislation governing maritime  
matters, the international nature  
of the topic and the need for  
uniformity has, since 1900, led to  
considerable internationa
