Reinventing Depression: A History of the Treatment of ...

Reinventing Depression is that kind of book. In a manner reminiscent of Starr's classic *The Social Transformation of American Medicine*, 1 it points the ways to a workable postmodern model of primary care affective medicine by thoroughly illuminating past and present conditions, with all their inconsistencies and serendipities. Serious students of the sociology of medicine, the evolution of primary care as a practice and as a discipline, and the treatment of mental illness will find it time ...
