The Scania PRT-range, also referred to as new truck range or Scania's truck range, is the current range of trucks produced by the Swedish commercial vehicle manufacturer Scania. It was first introduced as the successor to the 4-series in spring 2004 with the high forward control cab Scania R-series,

# Read Free Scania R Series

followed by the low forward control cab Scania P-series and bonneted cab Scania T-series later in the year. The bonneted model was discontinued in 2005. In 2007 the Scania G-series, a medium forward
