generated by the two parts of the cerebral hemisphere. One is the "inner parent " represented by the left brain with the other voice being the "inner child " represented by the right brain. The manner and quality by which these "inner conversations" take place between the two voices is most accurately described as self-parenting.

Self-parenting - Wikipedia

I would lastly say if you are really looking for a "permanent" and right (there are no short cuts here!) solution to your recurring personal problems, you need to read first the "SELF-PARENTING: The Complete Guide To Your Inner Conversations" If you are determined to stay within the rules of SPP and allocate daily 30 minutes to the most important relationship of your own life, you will find all the answers
