"Sleeping Beauty", or "Little Briar Rose", also titled in English as "The Sleeping Beauty in the Woods", is a classic fairy tale about a princess who is cursed to sleep for a hundred years by an evil fairy, to be awakened by a handsome prince at the end of them. The good fairy, realizing that the princess would be frightened if alone when she awakens, uses her wand to put every living person and animal in the palace asleep, to awaken when the princess does. The earliest known version of the stor

Sleeping Beauty was a film unlike any that had been made before and probably unlike any that will ever be made. Though the story itself is traditional Disney fodder, the film itself is anything but. Released in 1959, Sleeping Beauty is based on the classic Charles Perrault version of the fairy tale. Because the original tale was quite short, the Disney writers needed to pad it out a bit ...
