Take one more chance is the debut novel of 16 year old Shriya Garg. The book is about the story of Naina Kashyap, who is everything that you can imagine a 21st century girl to be, but really not a marriage material. World falls for her, when her father announced that she has to get married in '6 months'.

Take one more chance, this is the last dance.
Take one more chance, this is the last
romance. I don't understand, Been avoiding me
all evening. Each time I looked you just
dance, Again on the floor. Like life itself
had no meaning. If I could touch you, But
oohooh, deep in my heart I know, There's a
destiny, Through all this sadness I see.
