The Complete Costume History Ediz

Synopsis. About this title. Originally published in France between 1876 and 1888, Auguste Racinet's *Le Costume Historique* was the most wide-ranging and intelligent study of clothing ever published. Covering the world history of costume, dress, and style from antiquity through the end of the 19th century, the great work -- ""consolidated"" in 1888 into 6 volumes containing nearly 500 plates -- remains, to this day, completely unique in its scope and detail.
