a very enjoyable book.

It is about a girl named  
Angel who is eleven  
years old. Her father is  
in prison and she works  
her hardest to support  
and help her family in  
any way she can. She

Paterson has again  
written a book about  
forgiveness and  
acceptance, which to me  
is the theme of many of  
her books. I was hooked  
on this book early on  
and reminded a little of  
Bridge to Terabithia (a  
favorite) as well as The  
Great Gilly Hopkins.
