The purpose of a governing law clause is to express the parties' choice as to what that law should be. Why is a governing law clause important? The parties' choice of governing law will usually be upheld by courts in countries with developed legal systems.

*Governing Law Clauses | Ashurst*

Special districts are independent, special-purpose governmental units that exist separately from local governments such as county, municipal, and township governments, with substantial administrative and fiscal independence. They are formed to perform a single function or a set of related functions. The term special district governments as defined by the U.S. Census Bureau excludes school districts. In 2007, the U.S. had more than 37,000 special district governments.
