Narrative intervention uses an authentic, functional context, which entails the formation of a genuine connection between adult and child, where meaningful information is conveyed, and language processing, pragmatics, and social-emotional learning are integrated (Brinton & Fujiki, 2019). The natural environment (i.e., peer and adult attention) can maintain children's efforts to tell stories and, by doing so, provide additional opportunities for practicing the newly acquired language skills.

~~Written Narrative Intervention The Great Gatsby~~

In The Great Gatsby, Fitzgerald's main innovation was to introduce a first person narrator and protagonist whose consciousness filters the story's events. This device was not a total invention since a character through whose eyes and mind the central protagonist is discovered is to be found in two of Conrad's books: Heart of Darkness and Lord Jim .
